Curriculum Assessment

The curriculum assessment committee is a cell of college and other educational institution which is responsible for making evidence - based recommendation for curriculum modification. It establishes the process and procedures for conducting assessment on campus. It is a process of gathering and analyzing information from multiple sources in order to improve student learning in sustainable ways.

Through assessment criteria the learners are able to know what are expected to do. It shows them how they can demonstrate they have achieved the learning outcomes.

The purpose of each college curriculum assessment committee is to review the status of the college achievement and maintenance of the degree program. The curriculum assessment committee is charged by the senate to faculty stewardship of student learning degree program.

The purpose of assessment is to gather relevant information about student interests to make judgments about their learning process.

Key elements of an assessment plan include

1. Objective of student learning outcomes.

2. The plan will include a variety of measures and methods including qualitative and quantitative assessment.

3. After implementation of the method of measurement, the results that we will achieve should be clearly described and related to the objective and stated criteria for success.

4. Student assessment are necessary because-

→ Throughout a lesson, the teacher might want to check for understanding by using a formative assessment.

→ Assessment also beneficial in the field of diagnostic test by action the teacher want to know the hurdle of teaching procedure and also the problem as well as difficulties of their learner.

→ Through assessment not only know the teaching efficiency but also students know his progress because it helps them to assess their potential and way of presentation.

Throughout a lesson, the teacher might want to check for understanding by using a formative assessment.

Assessment also beneficial in the field of diagnostic test by which the teacher want to know test hurdle of teaching procedure and also the problem as well as difficulties of their learners.

DISCUSSIONS:-

Review of Academic year 2019-2020.

→ The second part of academic year 2019-2020 was conducted online, many of the classes were conducted through live online classes, where as pre-recorded videos were also shared with the students.

→ The student strength was relatively low as they had multiple challenges to adapt to the transition.

→ Student feedback was taken on challenges faced during online classes and one of the prime reasons identified was lack of internet connectivity. The proposed action to handle the situation was to provide the students with pre-recorded videos of the lecture. The lectures to be recorded and summary -

of the topic rather than elaborate lectures.

Smooth Transition to online mode of teaching and learning :- (Learning) .

- Uniform mode of engaging classes must be Identified. Learning management must be Identified.
- To ensure that reading materials are shared, e-Contents are developed by the faculty members.
- The mode of assessment must be Comprehensive and foolproof.
- Databases must be made available remotely for which the vendors have to be approached.

Action Plan for Academic year - 2020-2021.

- Online must be effectively utilized to ensure international Personnel can interact with the students and teachers.
- To ensure internal assessments are pre-decided, it was decided that faculty members where internal assessment to submit the pre-decided dates for internal exams and schedule for the ~~post~~ Presentations.
- students will be encouraged to take part in Online internships post class hours.

Resolutions:-

Regarding the above discussion.

1. To ensure smooth transition during the pandemic.
2. To provide assistance to faculty and students to interact with national and international luminaries.
3. Improvement in teaching and learning through development of e-content.
4. Encourage guest lectures through webinars.
5. Adoption of comprehensive research policy.
